

## Cedar Hill Rules of Golf for the 2020 season

Tee times and remote payments are mandatory. I will follow up with a link to the Stoughton Park & Rec website where you can pay online. Tee Times will be 15 minutes apart. You must remain in your car until you are within 15 minutes of your scheduled tee time. This will be enforced by the starter.

You are only able to play 9 holes at this time. This may change. You are able to play a second 9 but need to book the tee time. This will be at the regular 9 hole rate until further notice, sorry. I will find a solution to this ASAP!

Maintain social distancing. Anyone who does not follow this rule will be asked to leave and will not be refunded.

Golf Carts are only available to those with a disability that requires the use of a cart per the ADA guidelines.

Practice areas are closed.

Due to the construction, the 6th hole is completely closed. Once you finish at the 5th hole, you will follow the ropes set on the woodline on the 4th hole and enter the 7th hole behind the 4th tee box. Please be aware of those on the 4th tee and when on 4 please be aware of those approaching.

Until 6 is open, we have a new 9th hole. 9 will be a short par 3 from the top of the hill to the practice green. From the center of the temporary tee, it is approximately 67 yards.

We are repairing the 5th and 7th tee box. They are closed and have a temp tee. On 5 it is just to the right of the tee box, and on 7, it is at the front left by the telephone pole.

Do not walk on newly seeded or sodded areas. Please pick your ball up and drop in a safe area.

Please bear with us as there are a lot of changes for us as well. Things may change as we see how it will flow.
